YEAR 2021

# MARTIN COUNTY EDA

The Martin County Economic Development Authority (MCEDA) partners with the Regional Center for Entrepreneurial Facilitation (RCEF) to provide one-on-one free and confidential business consulting, training, and mentorship to individuals, start-ups, and established businesses across many industries in Martin County through a business facilitation program called IGNITE.

Our mission is to Inspire, Growth, and Nurture Innovative Talent through Empowerment. We have access to a large network of resources to connect entrepreneurs and business owners with the right people at the right time to move their project forward. MCEDA supports and assists the communities and townships in Martin County with their economic development efforts. We also engage in many entrepreneurial focused projects and events to bring value to the county.

# ABOUT US...

## WHAT IS IGNITE?

In 2007, the Martin County Economic Development Authority (MCEDA) partnered with the Regional Center for Entrepreneurial Facilitation (RCEF), a non-profit entrepreneur and business development organization to develop, brand, and implement an economic development program called IGNITE. The mission is to Inspire Growth and Nurture Innovative Talent through Empowerment, which mirrors the unique and established RCEF business model. The IGNITE program was put in place to provide individuals, entrepreneurs, and existing businesses in Martin County with the resources, support, and inspiration they need to prosper in the competitive marketplace. All the IGNITE services are confidential and of no cost to the client. Some of the business consulting services provided are business plan writing and development, feasibility assessments, start-up and expansion assistance, sales and marketing, market research, financial analysis, and strategic planning.

- Excellence - we ensure quality in every aspect of our work. We continuously strive to further our education to provide expert advice to our clients.

## 2021 YEAR-END SUMMARY

The year 2021 was a challenging year for all of us due to the Covid-19 worldwide Pandemic. Our key objectives are to start, stabilize, and grow businesses, retain, and create jobs, increase tax revenues, and create a welcoming environment for innovation and economic development. In 2021, MCEDA successfully provided technical business assistance to 108 entrepreneurs and spent more than 783 hours performing services. Utilizing the RCEF business model creates exceptional cost savings for Martin County. Year after year, we produce tremendous results with very little expense.

In an effort to help promote our services and involvement, the EDA sponsors or participates in several community development activities and events such as the Martin County Fair, Sponsorship of the Fairmont Area Chamber of Commerce events - Area Career Exploration (ACE) and Martin County Leadership Program, MAPCED (Minnesota Association of Professional County Economic Developers), EDA Strategic Planning, Fairmont Convention & Visitor's Bureau, Martin County Broadband Committee, 15/90 Group, and Bureau 14.

We continue to conduct community visits, that were started in 2011.

We are tremendously pleased with our success. We continue to strengthen and grow our strategic partnerships to facilitate the success of our clients. Our Business Facilitators are continuously trained on the latest trends in business to ensure our clients are being served by the very best.

In addition, we continue to work with local legislators for continued support and funding for the entrepreneurial and business services provided by RCEF.

Covid Relief Assistance- Governor Executive Order (20-99) \$380,308.60

CARE Act- COVID Business Relief- \$750,000.00

## PROGRAM HIGHLIGHTS

2021 SAW THE CONTINUATION OF SEVERAL PROGRAMS ESTABLISHED WITH THE HELP OF VARIOUS GRANTS. THESE INCLUDE:

The Martin County EDA received a two-year grant (FY19/20) in the total amount of \$300,000 from the State of Minnesota Department of Employment and Economic Development on behalf of the Regional Center for Entrepreneurial Facilitation (RCEF). Other funding counties for this grant include Blue Earth County, Martin County, and Watonwan County, and RCEF. Our Minnesota Legislative representatives- Representative Robert Gunther and Senator Julie Rosen were instrumental in their support for the grant legislation.

The EDA supported the grant application by BevComm to the Minnesota Department of Employment and Economic Development (DEED) Office of Broadband- Border-to-Border Broadband Grant Program for the installation of expanded broadband infrastructure for high speed, reliable, broadband services within Martin County.

The EDA was instrumental in formulating a county-wide tax abatement program policy for new construction of single and multi-family housing, which provided tax abatements for seven newly constructed single-family homes in Martin County.

Brain Gain: The EDA joined this initiative aimed at luring young families back to rural Minnesota. MCEDA has worked with the City of Fairmont and the Fairmont Chamber of Commerce to create a campaign "Back Home Again" that targets 30-49-year-olds and is meant to enhance the image of small-town living. Demographic data was collected and used to show a trend of this age group moving back to small rural towns for a high quality of life. More work needs to be done to keep high school graduates in these towns, as they represent a trainable workforce that local businesses need. There are plans for a website, and to engage in social media.

## PROGRAM HIGHLIGHTS (CONT.)

Shop Local Ad Campaign: This was an initiative of the MCEDA to promote local businesses.

Continued sponsorship of “Destination Small Town”: Our Story Production Television Show (Fairmont, MN), spotlighting small towns and counties we call home and what each community offers.

Sponsorship of Bacon Capital USA: Local promotional campaign in Martin County - “Bacon Capital USA”. Martin County is the number one hog-producing county in Minnesota and the sixth-largest in the U.S.

The EDA continues to promote its “Red Folder”, which provides information and business resources for new business start-ups.

A word cloud of Minnesota counties. The words are arranged in a roughly circular pattern. The largest word is 'Fairmont' in the center. Other prominent words include 'Dunnell', 'Truman', 'Ceylon', 'Northrop', and 'Granada'. Smaller words include 'Ormsby', 'Trimont', 'Sherburn', and 'Welcome'. The colors range from dark red to light orange.

## 2022 OUTLOOK

In 2022, we look forward to working on main street revitalization by repeating the process that we used to give away the Cup and Saucer Cafe and The China House Cafe. We'll help communities identify buildings and replicate the giveaway process.

We will work with communities on repurposing vacant land to backfill buildings. Our goal is to maximize the community and buildings while minimizing building blight.

We will continue to work towards expanding all agriculture opportunities, including the most recent economic opportunity in the commercialization of fiber hemp.

The EDA will continue to work in promoting its free business consultation services in Martin County and its communities. Promotional & Digital marketing on be half of the County EDA
